

### Annexure 4.1.1. (3)

#### LABORATORIES AND STUDIO:

Institute provides fully equipped and well-furnished laboratories where students can perform not only experiments but can perform research-oriented projects.

**CHEMISTRY LAB:** College provides 03 distinguished chemistry labs designated as Inorganic Lab, Physical Lab and Organic Lab which are well designed and fully equipped with latest equipment's and prescribed chemicals. In view of research-oriented experiments labs have been enriched with all the tools, machines and chemicals which are required to conduct intensive research experiments.

**ZOOLOGY LAB:** College provides 03 Zoology labs which provides students with latest equipment's and suitable environment to develop a detailed understanding of the animal kingdom by exploring the physical, morphological and physiological characteristics of animals.

**BOTANY LAB:** College provides 02 well equipped and spacious botany labs where students can conduct experiments to study plants, including their structures, properties and various biochemical processes.

**PHYSICS LAB:** College provides 03 physics labs with well-equipped tools and dark room with meaningful experimental setups that provide valid quantitative measurement results.

**BIOCHEMISTRY LAB:** College provides Biochemistry lab where students are often involved in research into the biochemical basis of disease and in clinical trial of new drugs.

**GEOLOGY LAB:** College provides well equipped and spacious Geology lab where students can learn about rock and mineral specimens, various maps and illustrations.

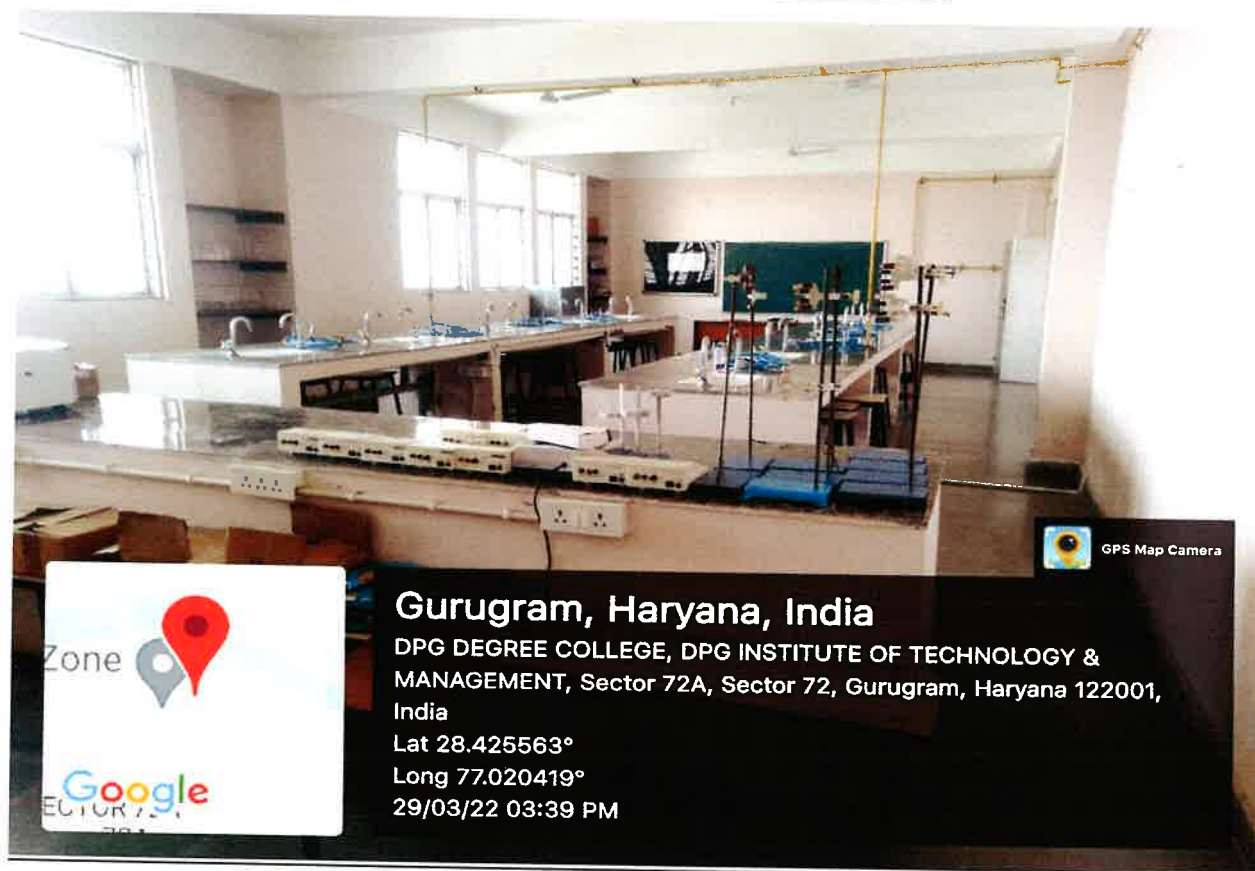

**GEOGRAPHY LAB:** College provides Geography lab to enrich geographical base of the students which exposes students to full spectrum of disciplinary subfields such as physical, human and nature society geography as well as geography techniques.

**STUDIO FOR JOURNALISM:** College provides advanced and technically updated studio for Journalism which consist of collection of tools to empower would be journalists to do their work and experiments more efficiently, creatively and securely.
