Report on yoga day celebration

Date: 21/06/2021

VENUE: - Online through Google Meet

TIME:- 12:00 – 02:00pm

Organized by:- Women Development Cell

Execution:- An invaluable gift of ancient Indian tradition, Yoga has emerged as one of the most trusted means to boost physical and mental well-being. The word "Yoga" is derived from the Sanskrit word **yuj** meaning "to join" or "to unite", symbolizing the unity of mind and body; thought and action; restraint and fulfillment; harmony between human and nature, and a holistic approach to health and well-being.

The Day will be marked at a time when COVID-19 pandemic continues to threaten the lives and livelihoods of people globally.

Beyond its immediate impact on physical health, the COVID-19 pandemic has also exacerbated psychological suffering and mental health problems, including depression and anxiety, as pandemic-related restrictions continue in various forms in many countries. This has highlighted the urgent need to address the mental health dimension of the pandemic, in addition to the physical health aspects.

International Yoga Day: 2021 theme

2021 International Day of Yoga, to be observed today, i.e. Monday (June 21), carries the theme "Yoga for well-being", much relevant for our times in a society still recovering from the impact of the coronavirus disease (Covid-19) pandemic.

Yoga Day was celebrated through Google Meet to highlight the importance of Yoga by Ms. Sunil Malik

Outcome:-

Yoga Day is celebrated with the cooperation of Ms. Sunil Malik who highlighted the importance of Yoga and how it has been beneficial in keeping the body and mind in sound health. Considered as a holistic approach and targeting the different systems of the body and the mind, Yoga renews the mind with confidence.

It calms the mind and improves concentration and patience. Practicing asanas and pranayama regulates the purification of the internal system of the organs. The energy generated in the body through these physical exercises is then channelled into meditation for peace, stability and calm.
