WOMEN CELL

Rangoli Making has been an essential part of Diwali celebrations in our country. Although Diwali is a festival of lights, the Rangoli colours play a big role in bringing out the festive spirit during these celebrations. Therefore, to promote this traditional art form amongst our students, an Interhouse Rangoli making competition was conducted in DPG Polytechnic (Seminar Hall) on 29th of October 2021 and they had to make a Rangoli based on the theme of Diwali, in time duration of 1 hour and 30 minutes.

Principal of DPG DEGREE College giving certificates to participants

Students had pre-planned their patterns and had come prepared with all the materials, they required for making them. Some selected colours were provided to the teams just before the competition and the challenge was to creatively incorporate the given colours in their design which added a slight twist to the competition and encouraged the students to think in an innovative manner. The criteria for judgement were the selection of the design, neatness, clarity, color combination and creativity or new ideas implemented by the students to make their design more presentable. This program followed by the felicitation of Vice Chairman Mr. Deepak Gahlot, Principal Mr. S.S.BOKEN and all other Professors of DPG DEGREE COLLEGE.
