ACTION TAKEN REPORT: TEACHERS FEEDBACK ANALYSIS (2017-18)

Feedback was taken by institution from the teaching faculty about the available infrastructure in college and various other aspects in 2017-18.

ACTION TAKEN ON THE BASIS OF FEEDBACK RECEIVED FROM TEACHERS

Sr. No.	Suggestions	Action Taken
1.	We should also put more emphasis on skill based learning and entrepreneurial skills in students.	Soft skill development program has been conducted. To create entrepreneurial skill workshop and orientation program from Alumni entrepreneur has been conducted.
2.	We should introduce some post graduate courses and professional courses also.	From the next session 2018-19 new post-graduate programs will be add. Programs for professional course will be added soon.
3.	Students should also go for field visit for practical learning.	Students field visit has been organized and from next session many more field visits for practical learning will be added.
