### **Parle Biscuits Industry Visit**

Industrial visits are an integral part of Management Education and it is this experience that helps students to gain first-hand information regarding the functioning of various industries. It provides students with an opportunity to learn practically through interaction, working methods, and employment practices. Moreover, it gives exposure from an academic point of view.

The Industrial visit to Parle Biscuit Pvt. Ltd. Bahadurgarh was well designed and coordinated. With an objective to improve the analytical and managerial skills of our future managers, DPG Degree College organized a one-day industrial visit to Parle, Bahadurgarh on 18/08/2022 for students of BBA, and MBA.

#### **“Students visited Parle Industry at Bahadurgarh:**

**Objective of Visit** -The main objective of industrial Tour was to bridge the gap between classroom teaching and practical working environment and to bring in some positive intangible changes to the personalities of students which results from long distance group travel and industrial visit.

#### **• Technical Objective**

1. To learn purchasing strategies of Parle industries.
2. To have brief outlook on the storage, movement of packages, daily items within factory , lab testing of incoming products.

#### **• Managerial Objective**

1. To know about managerial structure of Parle industries.
2. 2 To learn labour management, logistic management and HR policies of Parle industries.

## **OTUCOMES OF VISIT**

Industrial visits form the core of our efforts to give the students maximum technical knowledge. These visits help the students to go for the right careers. The objective of an industrial visit is to provide students an insight into the internal working of companies. We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, and an industrial visit provides the student a practical perspective on the world of work. Industrial visits are arranged by colleges to students with the objective of providing students functional opportunities in different sectors like IT, Manufacturing and services, finance, and marketing.

# PARLE FIELD VISIT

Our 1st Industrial visit from college was to Parle Products Pvt Ltd Company , which was on 18-Aug-2022.

It was an amazing experience. We got to know about many things which we didn't know before. Parle Products company was founded in 1929 in India by the Chauhan family of Vile Parle, Bombay. Parle began manufacturing biscuits in 1939. Parle Products is an Indian multinational food processing company.

And we also got to know about how biscuits are manufactured by the company through the different machines. Parle Products (the 1950s), led by Vijay, Sharad, and Raj Chauhan (owner of the brands such as Parle-G, 20-20, Magix, Milkshakti, Melody, Mango Bite, Poppins, Londonderry, Kismi Toffee Bar, Monaco, and KrackJack).

Thank you, It was an amazing visit!
