Chairman's Message

DPG Group of College in a short span of time has gained wide recognition for its remarkable progress and is clearly emerging as one of the premier college of the Nation. It has become a preferred destination in the field of higher education. The College offers undergraduate through innovatively designed curriculum. Our proven teaching methods and strong research orientation has ensured high levels of academic achievements. We are constantly striving for excellence by promoting free thinking and going beyond conventional methods of teaching. Our aim is to produce graduates and professionals with a sense of confidence and conviction. We tap the young talent and cast them in an appropriate mould through intensive learning programmes. While interacting with the young mind, we lay emphasis on the rigorous education, training and skill development in an inter-disciplinary context. We have well qualified and experienced faculty to act as mentors to our students. The research and outreach initiatives taken by the teaching fraternity continue to be relevant in the academic world. The publication of research papers in the leading profession journals having high impact factor speak of the quality. Our academic programmes are equally complemented by strong industry partnership programmes like seminars, workshops, guest lectures, internships and placements. It serves the dual purpose of enhancing research expertise as well as producing professionally oriented industry ready graduates. Besides the academics, the campus offers a vibrant life and offers tremendous opportunities to students for intellectual and personal growth. Our sprawling pollution-free campus in the heart of Gurgaon is equipped with good infrastructural facilities. The College enjoys a sound reputation and is constantly working towards the goal of serving the moral and social needs of the society by imparting quality education and transforming the students into responsible citizens.

I extend you all my hearty welcome to this great College.

Rajender Gahlot
Chairman

Managing Director Message

Welcome to DPG Degree College. We invite you to visit us any time- in person or through the website. In an increasingly competitive world, good education is one of the most significant asset a person can strive for. College education aims at providing students with necessary knowledge and skill that will enable them to become successful professionals. We offer students the opportunity to work towards achieving their professional dreams as well as open up space for all round growth. We firmly believe that the aim of education is to create well-rounded thinking individuals, who face the challenges of the world in an informed manner and who see themselves as active participants and creators of the society. Our college is dedicated to offering quality education, including academic, research and focus on needs and potentials of the students. We aim to provide space , which is conducive of creativity and knowledge, to install a sense of values that will be carried in workplace, to nurture respect for oneself and others. A College is a living organism, which grows and develops and reflects the dreams and aspirations of those, it is made up of. The highly qualified teaching faculty, modern laboratories, Wi-Fi enabled campus, a rich collection of books and access to on-line books and journals, technology-enhanced learning, microcomputer controlled data acquisition systems and student projects, amongst others make college education an enriching experience, an exchange of learning and opportunities to nurture innovative ideas. This has been the aspiration and dream of DPG Degree College and we want you to become a part of it.

Rishipal Gahlot
Managing Director

Principal Message

Dear students after having the charge of this premier institution, I would like to convey my blessing & best wishes to all of you for year future endeavor. I envision a bright future for all my students which depends upon combined efforts of our committed staff and our students. We here at DPG take pride in providing a platform to sharpen individual skills of students.

It is our commitment to inculcate the ethics and Indian value system in our students fused with global outlook.

Our aspiration is not just to impart knowledge but also to shape employable graduates. We fulfill this aim by having many personality development programmes for the youth and other programmes like Science Honors, Core Programme in Commerce and Arts.

We are a completely student-oriented and student-centric institution and believe that a judicious blend of modern techniques and traditional values and beliefs will sustain us and bring success to our students.

However, I also wish to tell our students that, "Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful."

Dr. S.S. Boken
Principal

VISION

"To be an Institution of academic excellence with total commitment to quality education, research and improvement in human values with a holistic concern for better life, environment and society."

"The direction in which education starts a man will determine his future in life." – Plato

MISSION

- To provide inclusive and value-based quality education by making it accessible to all sections of the society.
- To impart outcome-based holistic education through multi-disciplinary learning.
- To nurture an environment that promotes healthy and strong minds by synergizing the benefits of curricular, co-curricular and extra-curricular activities.
- To inculcate human values and enable students to be responsible citizens at national and global levels.

ABOUT DPG

Sponsoring Body DPG Degree College

DPG Group of Colleges, established in 2004 with a mandate to "serve the academic and professional needs of the students in the country".

The educational programmes of the society are dedicated for the promotion of holistic education and academic excellence in the technical arena. Along with carving a picture for itself, the Society has promoted the general advancement of knowledge by igniting the cerebral dimensions of students and by nurturing their innate talents.

The students after having completed their studies successfully from DPG Group of Colleges, DPGITM, DPG Polytechnic & CPSM. are well placed and have taken up the role of entrepreneurs successfully or join industry and business as professionals and are readily accepted by both the public and private sectors in India and abroad. The vision of the society is to establish institutions of academic excellence, to provide quality education which is known for the total commitment to professional education and research. The aim of the society is to serve the mankind and improve the quality of life by using latest modern aids of training and imparting best education. While setting up high standards for education, the society thrives to meet the social responsibilities to impart free education at all levels to the needy and economically weaker section of the society so as to improve their livelihood which would in turn lead towards making the better India.

DPG Polytechnic

23 acres Lush Green Campus

About us

DPG Degree College, a premier higher educational institution, imparts holistic professional and vocational education. The college provides a dynamic learning environment to its students to pursue excellence, gain knowledge and acquire skill to achieve their goals. The campus is located to Gurgaon.

The educational programmes of the society are dedicated for the promotion of holistic education and academic excellence in the technical arena. Along with carving a niche for itself, the Society has promoted the general advancement of knowledge by igniting the cerebral dimensions of students and by nurturing their innate talents. The vision of the society is to establish institutions of academic excellence to provide quality education which is known for the total commitment to professional education and research.

Campus

Modern world class campus spread over beautifully landscaped area, with intellectually vibrant ambience in a serene and lush green environment are among one of the most impressive ones in the State of Haryana. The wi-fi enabled campus has the state-of-art infrastructure comprising environment friendly Administrative block, academic blocks, spacious class rooms with internet and intranet connectivity and hi-tech multimedia and audio-visual equipments, well equipped modern laboratories and lab, Learning Resource Centre, auditoriums, seminar halls etc. Besides building the learning resources, the college has also created several other facilities such as separate hostels for boys and girls, faculty and staff residence, sports facilities, medical room, open-air theatres, food courts, bookshops and other utilities and services. The College campus has playgrounds and courts for various games such as cricket, football, basketball, volleyball, badminton, well equipped gymnasium and facilities for indoor games for recreational activities of the college inmates. Athletic tracks, swimming pool and other sports facilities are also fast coming up at the campus. The world class physical and academic infrastructure developed by the College, essential for imparting quality education, facilitate teaching learning process and delight the students, faculty, corporate visitors and parents. Special emphasis have been placed on developing an environment highly conducive to build a solid foundation of knowledge, personality development, confidence building, pursuit of excellence, self-discipline and enhancement of creativity through motivation.

Class Rooms

The Classrooms provide the most conducive atmosphere for dynamic and focused discussion and are a significant factor in creating harmony in the teacher student relationship. The spacious classrooms have been designed to propel an enquiry based learning that fosters liberation of mind and eagerness to learn. The classrooms with internet connectivity are well equipped with Hi-tech multimedia and audiovisual equipments to facilitate effective learning which sets the tone in stimulating discussions. The classrooms are the platforms where the students imbibe the virtues of hard work, discipline, ethical practices & achieve the high standards of excellence in every sphere of life.

Library

The library of the College is fully computerized, is a veritable storehouse of information with ample number of text and reference books, national and international periodicals & journals, thesis & dissertations. The library has a special collection of prescribed text books called 'Book Bank'. The library provides latest research and reference material in print and audio-visual formats along with the facility to refer to e-journals, CDs, project reports, Government publications, reports and newsletters, back volumes related to management, information technology, mass communication and design, hospitality management, fashion, science, engineering, law, architecture etc. for the reference of the students and the faculty which help them in strengthening teaching and learning process. The library, Keeping in mind the needs of the students, the multiple copies of the standard textbooks and books by well-known authors have been stocked. Distinctive and well stocked individual libraries have also been developed for different programmes in different fields of studies.

Innovative Labortories

The College has well equipped seperate labs for teaching and research. The labs take care of the instruction on Computer Fundamentals to all students. Students use resources of the laboratories to solve problems, perform developmental experiments and work on projects guided by faculty. By permitting longer hours lab facility and access to the network from each classroom and lecture theater, Information is made easily accessible from any point within the campus. The students are provided a 4 Mbps line in their hostel rooms to give them the opportunity to spend time exploring and utilizing the resources offered through the Intranet. The experiments are designed to provide deeper understanding of phenomenon, facts and fabrication/assembling of equipment from components to get hands-on experience. The drudgery of repetitive measurements is reduced by shift forward micro computer based laboratory which allows a detailed analysis and interpretation of acquired data for our students.

Hostels

The College campus at present has 2 separate hostels for boys and girls. Boys hostels with a capacity of 150 students and girls hostel with 100 students. The hostel rooms are spacious, well furnished and are provided with LAN connectivity with 24 hours internet facility, AC, reading rooms with dailies and magazines and additional indoor sports facilities. The hostels are equipped with generators to provide 24 hours electricity supply. A round the clock security is enforced for constant vigilance and surveillance. Hostel Messes are run under the guidance of the Hostel Warden. Faculty and staff residence in lush green environs provides a pleasant and right ambience and atmosphere for intellectual stimulation.

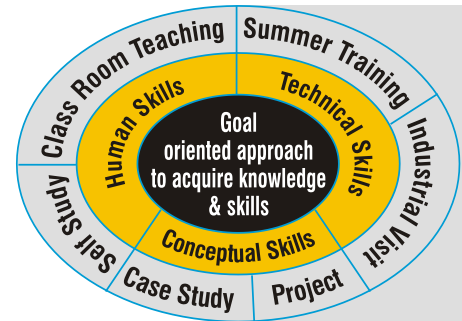

Cafeteria

The Cafeteria not only provides a vibrant atmosphere and unleaded fuel for the day but also puts forth a new method of knowledge sharing called the “Cafeteria approach”. It is an innovative and informal method of learning where one can debate, discuss and deliberate over a cup of coffee and thereby actively nurture one’s interpersonal skills.

*Education is not
the filling of a pail,
but the lighting of a fire.*
William Butler Yeats

Teaching Methodology

The college follows a unique pedagogy for teaching the concepts to its technical and professional programmes, so that students can learn with latitude and empathy: The pedagogy lays emphasis on:

- Clear conceptual understanding of subjects through class room teaching
- Reinforcement of learned concepts through case studies and audio-visual aids.
- Wide range of human skills and techniques for creative thinking & decision making.
- Practice through projects, experiments and hands on/ off the job training.
- Communication skills, leadership & Teamwork skills gained through various group activities.
- Application by real life training, Industrial visits, tours and industry apprenticeship.

FACULTY

The institute has well qualified, young and experienced faculty which leaves no stone unturned for the satisfaction of the students by giving their level best. Faculty members are kept abreast with the latest developments through structured industrial training programmes, refresher courses and sending them for higher studies.

The faculty members are dedicated to provide first rate learning experience to produce well qualified engineers to face the challenges of globalisation.

To support the proper functioning of the institution, the Principal has appointed a senior faculty to act as officer in charge of administration, training & placement cell, academic NCC activities and to handle the day to day problems of the students. The institute also encourages its faculty to pursue higher studies and supports them financially for such programmes.

A SPIRITED CONNECTED COMMUNITY

Catch the spirit! Students take their academic pursuits seriously, but they'll be the first to tell you that they are passionate about life outside the lectures and labs.

DPG initiates with energy and excitement. It won't take long for you to find your niche in this community because there are so many ways to be involved. Take advantage of the opportunities for recreation and personal growth, leader-ship, and entertainment that are out there. Try something new. Stretch your mind and body-and grow.

SPIRIT OF SPORTSMANSHIP

Each year, DPG organises Sports Event to uplift the spirit of the students and staff. The event helps to up bring the quality of Leadership, Teamwork & Competitiveness among the students.

The institute celebrates its sports day in the month of February every year. Various awards & consolation prizes are distributed among the students for their outstanding performances

Encouragement is given to participate in different games at Intercollege & state level. The students have won a number of medals in various athletic meets and competitions.

“ Talent wins
games,
Teamwork wins
championships! ”

EXPECT THE UNEXPECTED.

Each year, DPG demonstrates its leadership in innovation and creativity by organizing the DPG ARPAN: Innovation and Creativity Event, a campus-wide event that showcases the innovative and creative spirit of our students, faculty, and staff.

To develop overall personality of students and promote the holistic growth, we encourage the participation of our students in organising cultural and literary activities. With a blend of cultural from different parts of India, the institute itself denotes a dynamic world.

Various festivals are celebrated in the campus by the students with synergy of programmes. The college celebrates its Annual day function in the month of February every year. The students of this institute participated in cultural programmes & festival organised by the State Board of Technical Education Haryana held at Govt. Polytechnic College Nilokheri.

“ Innovation
&
Creativity
that
Inspires! ”

Transport Facilities

College's network of transport buses cover all nearby neighborhood, including local communities and townships lying within the radius of 50km. It is designed for the convenience of our students and staff members who are residing outside the campus. This ensures their personal safety, travel reliability and punctuality on the campus.

Medical Facilities

Round the clock Medical Center which is fully equipped with all necessary equipments for First- Aid, general check-ups, BP check-ups, and Ambulance facility for critical illness are available. Doctors and nurses are available on shift basis to provide all support to the hostellers, day scholars and staff of the college. The College has tie-ups with Multispeciality Hospital and Health centers.

Placement & Career

GOLD-PLATED CAREERS. AND CAREER DEFINING PLACEMENTS.

Students learn best by doing. As a world leader in experiential education, DPG academic programmes feature distinct and diverse opportunities to apply classroom education to real-world problems and projects.

Experience that makes a difference

At DPG, rigorous, cutting-edge academic programmes, outstanding faculty, and first-rate classroom and laboratory facilities provide you with a great educational experience. But today's world demands more. You need to be prepared for the real challenges and opportunities you will experience once you have graduated. Your education must be relevant and tested in real-world settings and on real-world problems before you graduate. Experiential education allows you to do that and more. Taken all together, this means positive outcomes from your DPG experience.

See the world

There's no better way to gain an understanding of another culture than to experience it firsthand. To prepare you for success in our global society, DPG offers a range of exciting study opportunities that expands your horizons in every sense.

Internships

Many academic programs offer students the opportunity to gain career-related work experience through internships. Other academic programmes offer internship opportunities in addition to co-op. While co-op assignments are full-time paid positions, internships may not pay a salary or require a full-time work schedule. Also, in some instances, internship credit is required in the academic major.

Cooperative education

Cooperative education (co-op) is the most extensive and intensive of DPG experiential education opportunities. Co-op is full-time, paid work experience directly related to your course of study and career interests. Many academic programs require co-op, while others make it available on an optional basis. Each year more than 2,100 students complete more than 3,100 work assignments with more than 100 companies and organizations from small startup firms to Fortune 500 corporations.

Learning through research

Research is about solving problems, and DPG recognizes that many of the best careers require strong research skills. DPG provides a wide-variety of undergraduate research opportunities.

CODE OF CONDUCT

1. On admission every student shall secure an identity card. On demand every student has to produce it.
2. While on campus, students are required to take care of their belongings and no responsibility for any loss or damage can be held by the institute.
3. Any absence from the institute has to be supported by an application. It is necessary to submit an application for any absence of more than 3 days (for reason of ill health, a doctor's certificate is essential) duly endorsed by the parents.
4. Prescribed practical training in the field, shall be undergone by all the students.
5. All changes in address of residence should be submitted to the institute.
6. Students shall observe all safety precautions while working and the institute will not be responsible for any injury/loss sustained within the institute. However first aid will be provided immediately.
7. Fines if ever imposed are only to improve/enforce discipline.
8. A student shall not involve himself/herself in any incident outside the institute which brings discredit to the institute or the student.
9. Students shall abide by the Library rules to utilise library facilities.
10. Students must be punctual at the beginning of the day and in all classes and programmes.
11. Students are required to behave politely and use of actions that hurt the feeling of others should not be pertained.
12. The students are expected to exhibit exemplary behaviour, discipline and good conduct. The institute will not be responsible for any unworthy incident/misconduct or mishappening with the students outside the institution.
13. Students shall abide by the rules and regulations of the institution stipulated from time to time.
14. A student is not eligible to receive any refund of the Tuitions Fees and other charges paid for the year.
15. If the dues are not paid by the due date, a late payment fee as prescribed after the due date (including holidays) shall be realised.
