Accounts:

Likewise there are other functions available on the ERP for accounts section.

Link for the account session is as follows:

https://erp.dpggroupofinstitutions.in/adminlogin.aspx

We have to select the department as Account, from where we can have access to submission of fees of students, check the balance due and also have the facility of assigning transport facility to the students. Few of the pictures of above mentioned tasks are shown here:

Firstly the homepage, from where we have to select college as DPG Degree and for department we have to select the Account. After that, username and password will be entered. This is the page where we have to submit all the mentioned details. The page will look as follows:

The homepage after entering the required details will look as follows. There are various headers on the left and right side from where we can do the new fee collection, due fee collection and many more, as shown in the given picture.

Record of pending fees which is shown under the new student fee collection header:
