 to me

Wed, Aug 17, 1:55 PM (3 days ago)

Dear Concerned,
 Thanks for your email and we would be happy to host the students in our laboratory on Monday, 22/08/2022
 The students will be allowed to enter the lab in batches of 10 students between 10 am to 1:00 pm. Please remember that the students and faculty members must wear masks and maintain decorum. They will not be allowed to touch any instruments/samples without the consent of the lab-in-charge.

Best regards
 Dr. Pooja Sawhney

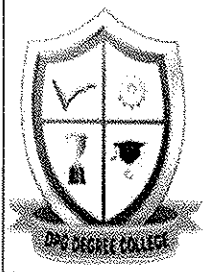

Thank you for your response.

Thank you very much.

Thanks a lot.

Summary Report of Industrial Laboratory Visit

Prime Labs, Faridabad, Haryana

A departmental visit, organized by Department of Biochemistry & Zoology, DPG Degree College, Gurugram, was scheduled on 22nd August, 2022 at Prime Labs, Faridabad, Haryana. In this visit around 40 students of M. Sc Biochemistry & M. Sc Zoology were accompanied with faculties; Dr. Neha Shekhawat (Asst. prof.) and Mr. Dinesh (Asst. prof.) from Department of Zoology.

The Department of Biochemistry & Zoology organized this industrial visit to encourage students to know what are the latest techniques / equipments being used by Healthcare Industries. Also to help the students to gain practical knowledge in regard to various diagnostic techniques which they study in their curriculums.

Students were able to apply their theoretical knowledge to understand basic techniques and approaches towards disease diagnosis. Students were briefed about latest equipment and technique of Healthcare industries by working technicians. The laboratory safety measures to be taken in the clinical setting were properly demonstrated. The quality assurance, biomedical waste management, automation in haematology, histopathology and cytology were also discussed with the students.
