2- Industrial Laboratory Visit:

A- Fair Lab Visit

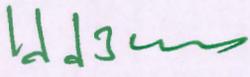

Name of The Department	Department of Botany; Life Science
Name of the event	Industrial Laboratory Visit
Date of event organized	23 rd October, 2019
Venue	Food Analysis and Research Laboratory, Gurgaon , Haryana
Name of the coordinator of the event	Dr. Amita Singh & Mr. Dinesh Malik
Class Of Participant	M.Sc. Botany & M.Sc. Zoology
No. of participant	25
Objective of the event	To encourage students to know what is latest technique / equipment being used by Food Research Industries.
Outcome of the event	Students have been briefed about latest equipment and technique of food industries by working scientists: 1. Water treatment and waste water management technique 2. Air monitoring and pollution measurement technique. 3. HPLC, PCR, ELISA, BLOTTING, ELCTROPHORESIS and other techniques.

Principal
D.P.G. Degree College
Sector-34, Gurugram

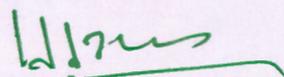

Students are in Fair Laboratories learning theoretical explanation of Techniques with Dr. Amita and Mr. Dinesh.

B-Workshop and Industrial visit:

Name of The Department	Department of Chemistry
Name of the event	Work shop & Laboratory Visit
Date of event organized	9 th November, 2019
Venue	BML Munjal University, Gurugram
Name of the coordinator of the event	Dr. Kavita
Class Of Participant	M.Sc. Physics & M.Sc. Chemistry
No. of participant	15
Objective of the event	To provide student hands on exposure about technique to deal various lab equipment.
Outcome of the event	Students have been briefed about various latest laboratory equipment and techniques by the experienced faculty and lab technicians of BML Munjal University, Gurugram.

Principal
D.P.G. Degree College
Sector-34, Gurugram

Students in Physics laboratories , BML Munjal university with Dr. Kavita.
Learning new techniques and got certificates too.
