Report of Visit to Blind school held on 25th March 2022

A blind school visit was organized on 25th March, 2022. Around 30 NSS students went to Captain Chandanlal special middle school for blind. The objective of the visit was to make students understand the power of empathy, integration, empowerment to a special section of society who are special for living their lives beautifully with self-confidence, dignity and self-control. The blind people were completely focused on their respective tasks and felt overwhelmed by the presence of students asking them their queries. Our students distributed chocolates and juices as token of love to all of them. They realized that we are blessed and we can bless many others by giving love, support, empathy and empowerment.
