

Academic Committee

The Academic Committee is a vital link between the student body and the faculty. The significant function of this committee is to act as a medium of communication between the students and the faculty. The agenda of this committee is to keep the students aware of their academic standing and reducing blind-spots. It takes up the responsibility of imbibing best practices so that future student's community can have better system in place. It also arranges regular interaction between faculty and students. It also holds responsibility for conducting practices like academic award functions to honour students for their academic excellence.
