Report Of Workshop
“Financial Training and Entrepreneurship”

One day Seminar on **“Financial Training and Entrepreneurship”** was organized by DPG Degree College, Gurugram, in I.Q.A.C and HDFC Bank on 12th March 2020. Dr. S.S. Boken Principal gave motivation with his positive words. Dr. Amita Singh (convenor) welcome and introduce all the guest of the workshop. The objectives of the Seminar were to impart financial training covering various financial aspects of banks. Financial training enhances the knowledge of students on various financial matters. Finance is the life blood of business. And it is very essential for smooth running of the business. It controls the activities, policies, and decisions of the business. The Seminar is an attempt to make comprehensive analysis of financial training and entrepreneurship as financial performance influence long term stability, profitability, and liquidity. This project involves an analysis of financial statements of the company in the light of various statements like Common Size Statement. The significance of this Seminar is that to share knowledge about financial aspects of companies and the way by which theoretical accounting procedure are put into practical usage. Participants of workshop were teachers and academic members. The entire session was organized under the guidance of convenor Dr. Amita Singh, with assistance of member of Research & Extension Lecture committee. Many faculties and students took part in seminar.
