### **Report: Training Program in collaboration with Sunstone Education Technology private Limited**

**Introduction:** A training program was organized by DPG Degree, College, Gurugram, in collaboration with **Sunstone Education Technology private Limited** on 25<sup>th</sup> June 2022. The program was started by Mr. Deepak Gahlot Hon'ble Vice Chairman of DPG Degree College, Gurugram. The Respected principal of DPG Degree College, Gurugram College, extended his warm welcome and introduced the college to the resource person. Around 65 students from different stream participated in this program.

**Objective :** The main objective of the training program is to expose students to the Corporate Culture and explain them the processes followed there and to make them comfortable when they are exposed to it.

**Proceedings:** This workshop was in turn divided into 3 sessions.

The First Session focused on Resume Building, followed by introduction to Group Discussions.

The Second session started with students discussing various Generic, Specific and Abstract topics. It was followed by assessments and detailed procedures to approach different topics of GD.

This was followed by blend of live mock Personal Interviews and sharing of techniques to face interviews along with assessments.

The training program was conducted successfully and majority of the participants took active part in all the three sessions of the training. As per our observations, we could find conflicting students. Some of them were quite good at the receiving end while others weren't.

#### **Valedictory session:**

The program was followed by the welcome of dignitaries by Dr. Amita Singh, with a brief introduction of the event by the Organizing coordinator. Dr. S.S Boken, (Principal DPG Degree college) addressed the gathering.
