## EVENT REPORT

### Conference on technical skills and Entrepreneurship (HACKATHON – INFINITY.1)

**Date:** 7<sup>th</sup> & 13<sup>th</sup> March, 2024

**Time:** 10:00 A.M. To 02:00 P.M.

**Event Category:** ICT

**Topic:** Technical Event(

**Venue:** DPG STM

**No. of Beneficiaries:** Students of BCA & MCA

**Faculty Coordinator:** Ms. Aerika, Ms. Himanshi

#### Learning Objectives:

- The event aims to improve students' technical skills and creativity across various computer science domains, including coding and web designing.
- The event encourages teamwork and collaboration among students, fostering the ability to work effectively in multidisciplinary teams to solve complex problems.

#### Report:

The Department of Computer Science organized a dynamic technical event “Infinity.1” on 7th and 13th March, for the students of BCA & MCA, featuring seven engaging events. The event kicked off at 10:00 am with ceremonial lamp lighting by a special team from Levias Inc, Japan, and Vice Chairman Mr. Deepak Gahlot. Following words of wisdom from the Director of DPG STM, the Japanese team introduced their newly launched game, motivating student participation. BCA and MCA students enthusiastically engaged in the events, culminating in a prize distribution ceremony at 1:00 pm, where winners and runners-up were felicitated with prizes and certificates. Dean Dr. Madhvi Bhatia concluded the event with a heartfelt vote of thanks, marking it as a resounding success.

#### Learning Outcomes:

- Participation in the hackathon will enhance students' coding, web designing, and presentation skills, preparing them for future academic and professional pursuits.
- Participation in activities such as poster making and essay writing will enable students to develop their creative thinking abilities, allowing them to approach technical challenges with fresh perspectives and innovative solutions.
