## Action Taken Report 2023-24 (Even Semester)

IQAC has a framework in place for gathering input from all parties involved, including employers, instructors, alumni, and students. Getting feedback is meant to help us evaluate ourselves and improve. A thorough study is conducted using the data obtained, and IQAC takes the required actions to address the issues.

Action Taken Report: Feedback from students was gathered on a number of topics, including academics, the teaching quality, infrastructure, and other amenities. Here are some conclusions drawn from the feedback forms that were gathered.

Sr. No.	Students Suggestions	Action Taken Report
1.	Stationary shop should be in college for the students.	The network of mentors and mentees at college is robust. To address their concerns, mentors meet with students on a regular basis. Higher authority was notified of the problem.
2.	Mirror issue in Boys Toilets	The convenor of the Infrastructure Committee was directed to rectify the problem by taking corrective action.
3.	Canteen should be pocket friendly.	The issue was communicated to the relevant committee's convenor, and higher authorities were also consulted.
