## REPORT ON BLOOD DONATION CAMP

DATE : 08.11.24

**DPG DEGREE COLLEGE & DPG SCHOOL OF TECHNOLOGY & MANAGEMENT** have organised "**BLOOD DONATION CAMP**" On 8 NOVEMBER ,2024 .A Blood donation camp was organized by our NSS unit, in collaboration with **LIONS BLOOD CENTRE,GURUGRAM** through which more than 160 units of blood was donated by both students and the staff members of our college. It is a way of our college gesture in bringing a ray of hope to contribute to the serious problems of acutes shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

**"Donate blood and save lives**
