A Descriptive report on NCMIS-2025

Grand Success of National Conference 'NCMIS-2025' at DPG Degree College Gurugram, April 18, 2025

DPG Degree College, Gurugram, successfully hosted a two-day National Conference titled “Multidisciplinary Approaches for Innovation and Sustainability: Global Solutions for Contemporary Challenges (NCMIS-2025)” on April 17–18, 2025. The conference aimed to explore integrated, interdisciplinary solutions to pressing global challenges in the realms of innovation and sustainable development.

The inaugural session commenced with the traditional lighting of the lamp and the release of the conference souvenir. The dignitaries gracing the occasion included Mr. Rajendra Gehlot (Chairman), Mr. Deepak Gehlot (Vice Chairman), Mr. Vishnudutt (Guest of Honour), Dr. S.S. Boken (Principal), Mr. Ashok Gogia (Registrar), Dr. Dharambir Singh (Dean Academics), Dr. Madhavi (Dean Student Welfare), Dr. Palak Mahajan, and conference conveners Dr. Amita and Dr. Reena.

In his welcome address, Vice Chairman Mr. Deepak Gehlot emphasized the need for interdisciplinary collaboration to address modern challenges. Principal Dr. S.S. Boken and Registrar Mr. Ashok Gogia highlighted the critical role of research and innovation in solving global problems.

Keynote Highlights:

- Dr. Pawanesh Kumar, Professor at IGNOU, elaborated on sustainability through the lens of economic management and the “4R” principle — Reduce, Reuse, Recycle, Reimagine.
- Dr. Dinesh, Principal Scientist at IASRI, shared insights into research opportunities in patents and artificial intelligence.
- Dr. Rahul Singh from GD Goenka University’s Department of Pharmacy spoke on “Sustainable Pharmacy Practices: Challenges and Opportunities”, addressing emerging trends and solutions in the pharmaceutical sector.

Technical Sessions

Renowned academicians and experts from across the country shared their knowledge through a series of thought-provoking technical sessions:

- Dr. Indira Bhardwaj (K.R. Mangalam University) discussed Green Resilience.
- Prof. Indira Dhull presented on the role of education in promoting sustainable living.
- Dr. Bhupendra Chaudhary (JNU) explored genetic modification in crops.
- Dr. Deepa Kharb (Delhi University) spoke on Green Technology.
- Dr. Samina Hussain (Jamia Millia Islamia) showcased Waste-to-Wealth innovations.
- Dr. Sarika Agrawal (NIET) highlighted applications of machine learning.
- Dr. Sanjeev Kumar (Central University of Haryana) delivered an in-depth analysis of the New Education Policy (NEP).

These discussions provided a platform for knowledge exchange among scholars, researchers, and professionals from diverse domains, aiming to shape sustainable and innovative pathways for the future. The conference witnessed the presentation of approximately 290 research papers, covering a wide range of themes including innovation, ecology, social impact, and technological solutions.

Organising Team

The successful execution of NCMIS-2025 was made possible by the dedicated efforts of conveners Dr. Amita and Dr. Reena, along with key coordinators — Dr. Priya Shukla, Dr. Priyanka, Dr. Rekha, Ms. Swati, Dr. Deepika, Ms. Pooja, Ms. Meenu Sharma, and Dr. Priyajot. The Research Committee members — Dr. Shama Parveen, Ms. Geetanjali, Dr. Asha, Dr. Shailja, Dr. Anuradha Yadav, Ms. Shikha, Dr. Ankush, and Mr. Dinesh — also played pivotal roles in ensuring the event's success.

In the closing ceremony, Dr. Amita delivered the vote of thanks, expressing gratitude to all the dignitaries, speakers, participants, and organizing members for their enthusiastic participation and support. Through the commendable initiative of the college management and the organizing committee, NCMIS-2025 proved to be a landmark event — not just academically, but also in fostering environmental awareness and social consciousness.
