Event Report 2025-2026

Name of The Department	Department of life science
Name of the event	National Wildlife Week 2025
Date of event organized	7 th October 2025
Venue	Conference Hall, Block-A
Event coordinator	Dr. Amita Singh
Class Of Participant	UG and PG students of Department of life Science
No. of participant	100
Objective of the event	<ul style="list-style-type: none">• To emphasize our role in widely spreading the significance of wildlife conservation in our daily life.• To provide a platform to the students to prove their talents, bring out their creativity, face challenges providing them an opportunity to overcome their weaknesses.
Outcome of the event	<ul style="list-style-type: none">• A guest lecture was organized to promote awareness about wildlife extinction and the need for its conservation. The lecture was aimed at promoting cohabitation of humans and wildlife such that all can flourish. It helped students to understand the importance of wildlife conservation and restoration of ecological balance.• Students participated with enthusiasm in various competitions (Wildlife photography, Rangoli making and Quiz).
